Rajat Walia, MD, FCCP
Medical Director, Lung Transplant Program
Creighton Medical School
St. Joseph’s Hospital & Medical Center
Phoenix, AZ
Email: Rajat.Walia@diginityhealth.org
ABOUT THE SOCIETY:
This is the 44th Annual New Mexico Lung Disease Symposium, the annual scientific meeting for physicians and members of the pulmonary, critical care and sleep community in New Mexico. The purpose of this program is to educate primary care practitioners, pulmonary and critical care practitioners and other health care professionals about recent advances in epidemiology, pathology, physiology and medical management of patients with pulmonary, critical care and sleep disorders.

LEARNING OBJECTIVES:
The participants will:
• Better understand the recent advances and clinical management of common adult pulmonary and critical care diseases in order to facilitate better patient care and compliance.
• Appreciate the prevalence and impact of these diseases in the growing population.
• Better understand the co morbidities and impact on treatment for these diseases.

NEEDS ASSESSMENT
A list of prospective educational topics were chosen by the planning committee based on local expert opinion, review of prior topics recently presented at the Symposium, comments and suggestions from providers at the 43rd Annual symposium, topics presented at the 2015 NMTS Conference, recent advances in those fields, as well as pertinent literature review. This program will fulfill the educational need for this very important field for our community of physicians, nurse practitioners, physician’s assistants, nurses, respiratory therapists and other healthcare professionals and will help to address the educational needs for the state.

TARGET AUDIENCE
Primary Care Physicians, Pulmonary Physicians and Fellows, Critical Care Physicians, Sleep Medicine Physicians, Internists, Physician Assistants, Nurse Practitioners, Nurses, Respiratory Therapists, Pharmacists, Respiratory Researchers, Sleep Technologists, Students in Allied Fields and Physicians in Training. The target is regional, covering the southwest region of the U.S.

CONTINUING EDUCATION
This live activity is jointly sponsored by the American Thoracic Society and the New Mexico Thoracic Society. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Thoracic Society and the New Mexico Thoracic Society. The American Thoracic Society is accredited by the ACCME to provide continuing medical education for physicians.

The American Thoracic Society designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credit(s) TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The New Mexico Society for Respiratory Care approves this educational event for a maximum of 7.5 clock hours of CEU. The course number is 20151201003. Respiratory Therapists should only claim credit commensurate with their participation in the activity.

• Temperature may vary in different sections of lecture hall. Please bring a sweater or jacket so you will be comfortable.
